

Having been made in our own winery in a traditional way, with a genuine respect for the environment and having been produced entirely from organic Verdejo grapes in the DO RUEDA,

ORO PÁLIDO presents:

An attractive pale yellow with greenish shades. Clean, crystalline and bright.

Intense varietal aroma, with notes of fennel, aniseed flavoured with surprising notes of white flowers.

Long, intense and sweet taste. When passing through the mouth it reveals a wide range of shades, from fennel and aniseed-flavoured to ripe fruit and white flowers, with a well-integrated acidity, which persists in the mouth in a pleasant way.

It is a good companion on many occasions and perfect with seafood, rice, pasta and tapas.

It is ready to enjoy...
